

PARSILANKA SAMUEL LEMAIYAN

Machine Learning Engineer | Full-Stack Developer | AI/ML Specialist

Ph: 0700417201

Location: Meru, Kenya

Email: lemaiysamuel901@gmail.com

GitHub: github.com/Parsilanka

EXPERTISE

- Machine Learning
- Deep Learning (CNN)
- Natural Language Processing
- Web Development
- Mobile App Development
- UI/UX Design
- Database Management
- Data Analysis
- REST APIs
- AI Systems

TECHNOLOGIES

- Python | Flask
- TensorFlow | Keras
- scikit-learn
- NumPy | pandas
- HTML | CSS | JS
- Next.js | React
- MongoDB
- Jupyter Notebook
- VS Code

CERTIFICATIONS

- ML & AI – Huawei Academy
- Web Dev – Cisco Academy

LANGUAGES

- English
- Kiswahili

ABOUT ME

Information Technology student at Meru University of Science and Technology, with hands-on experience in machine learning, AI systems, web development, and mobile app development. Passionate about leveraging technology to solve real-world agricultural and healthcare challenges.

PROJECTS & EXPERIENCE

Crop Recommendation & Disease Detection System

2026 | github.com/Parsilanka

- Built AI-powered system recommending optimal crops based on soil pH, rainfall and environmental data.
- Developed CNN-based deep learning model for real-time plant disease detection from leaf images.
- Trained models with TensorFlow, scikit-learn and Random Forest Classifier achieving high accuracy.

AgriSmart Mobile Application

2026 | github.com/Parsilanka/Mobile-App-Development

- Designed and developed a mobile app integrating crop recommendation and disease detection.
- Built RESTful APIs using Flask to connect ML models with the mobile frontend.

Mental Health Chatbot

2024 | github.com/Parsilanka/mental-chatbot

- Developed NLP-powered chatbot providing mental health support and resources.
- Trained conversational models with intent recognition for empathetic response generation.

Lumina Technologies E-Commerce Website

2025

- Built full-featured e-commerce platform with product listings, cart, and checkout.
- Implemented responsive design ensuring cross-browser compatibility.

Industrial Attachment – Kenya Methodist University (KeMU)

2026

- Started attachment gaining real-world IT and software development experience.
- Collaborated with lecturers and IT staff on internal academic tech projects.

EDUCATION

BSc Information Technology

Meru University of Science and Technology (MUST)

2023 – Present

Kenya Certificate of Secondary Education

Magereza Academy

2019 – 2022

Kenya Certificate of Primary Education

Full Gospel Junior Academy

2013 – 2018

REFERENCE

David Kaje

Lecturer – Meru University of Science & Technology (MUST) & KeMU
